

CANADIAN JOURNAL OF  
UNDERGRADUATE RESEARCH

## HIRING SUBMISSION REVIEWERS

**Position:** Reviewer

**Time Commitment:** ~2 hours/semester

CJUR is currently seeking highly articulate and self-motivated graduate student researchers *from all fields* to join our journal's review board.

Reviewers have the opportunity to read over and give feedback on student submissions and help in deciding whether a submission moves to publication.

### Responsibilities

- Edits papers and works with our editors to facilitate peer review process
- Accountable for ensuring they submit their revisions and feedback on time
- Help constructive feedback to undergraduate authors to help their improve their communication skills as aspiring researchers

### Qualifications

- Must be a graduate student with experience in academic research
- Authorship on peer-reviewed publication is required
- Previous editorial or experience critiquing academic work is an asset but not required
- Strong written communication skills and able to work in a team

### How to apply

Submit your full CV (with relevant peer reviewed publications and editorial experience) in an email to [info@cjur.ca](mailto:info@cjur.ca)
